Appreciation of Product

We at JBM Dakshin had used a huge quantity of RAMCO PLASTERING COMPOUND in our G + 11 - 157 Apartments MSB project GSTONGST at Urapakkam for various works like BRICK WORK, PLASTERING and TILE LAYING.

The product is easy to use, Performing and very effective .

We would definitely refer this product to our builders fraternity and wishing the company THE VERY BEST.

For JBM Dakshin

Project Manager

(Ramesh Srinivasan)
