Dear Sir(s),

We at Manjooran Housing, take the pride in expressing our fruitful association with the dry mix division of your organization.

Presently in our on going project “ **Rowan Park** “ at Edachira, Kochi, we are using **Ramco Tile Fix** for fixing wall tiles at our kitchen and ~~bat~~ bath room areas.

We found the performance of the product is good and we wish to thank the marketing team for providing us with their excellent services all the time.

We would like to continue our relationship for our upcoming projects to be launched soon.

Regards

Prince Jacob
