M/s. Madras Cements Ltd.
Ramco Dry Mix Division
Ernakulum.

Dear Sirs,

We at Noel Villas and Apartments take this opportunity to register that we had used Ramco Tile Adhesive – T2 Grade for our projects at kakkanad namely:

- A) Noel Arcadia
- B) Noel Greenature
- C) Noel Serenia

We have lifted around 35 M.T. of Ramco Tile fix for the above 3 projects and out of witch Greenature is rated under Green Building Council.

We are using this product for the last six months and the support from marketing division is excellent regarding timely supplies and followups.

Regards

John Thomas
