Dear Mr. Sundarraman,

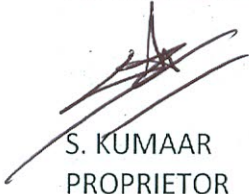

I take this opportunity to inform you that we have been very happy using Ramco Drymix for plastering in our various projects in Madipakkam, Pallikaranai, Nanmangalam etc. for the last about 4 years. Use of Ramco Drymix has proved to be an economical and efficient alternative to use of alternatives like PPC. I would like to take this opportunity to thank you for the manner in which you have personally interacted with me and other Engineers of the Company and helped in the introduction of Ramco Drymix, in our construction activity.

Wishing you and the Ramco Drymix Division, all the very best.

Product Used - Ramco Super Plaster - Plastering Compound.

Thanks & regards,

For PALACE HOMES
